1. Principal Update

Michelle Gritz

Overall great year. Newsletter will go out again soon. School wide behavior plan system has been well received. Individual and grade level incentives. Next semester the grade levels will determine their own incentives. Book vending machine is done by raffle now.

2. PTO Update

Michelle Gritz

- a. Sharkathon
- b. PTO Events

Movie night was hard to manage with some many kids. Movie was too long. Bingo nights are good – in February. Holiday shop will be in December 2023. Sharkathon % last year for \$18,000. Boosterthon will still lead portions of it and SCES will cover parts such as a prizes, etc. Michelle would like the SIC to attend the volunteer meeting.

3. Parent Survey

Michelle Gritz

A group of teachers are working together to develop a parent survey. They reviewed the 5<sup>th</sup> grade parent survey as well as surveys from other schools. Taking the info from each of those surveys to develop our own internal survey. This will go out in January.
